Unique Bi-Phase Drinkable Vials

Only 3 Steps

to prepare the Bi-Phase drinkable vial

Twist

Twist the cap clockwise until it breaks the seal and **continue** to turn until tight which releases the ingredients.

Shake

Then shake well to mix the ingredients.

Turn

Finally remove the cap by turning anti-clockwise. Your Arthro Intense Plus Liquid is now ready to drink!

Keeps nutrients separate prior to mixing in the vial, thus optimizing quality and freshness.
